Dear Mr. Buckley:

This submission is in response to your request for additional information regarding the above referenced report.

As indicated on the Committee's Statement of Organization, the Committee is a joint fundraising representative. As such, all of the operating expenditures disbursed by the Committee are fundraising expenses in support of the joint fundraising activities. The Committee is administered by a volunteer treasurer and the participating committees. The Committee has no offices and therefore has no expenses for rent or utilities, telephone, offices equipment or office supplies. There are no employees. All disbursements made to a person in excess of \$200 in a calendar year are itemized on the reports, and there were no debts or obligations in excess of \$500 at the end of a reporting period.

Please do not hesitate to contact me if you require additional information.

Sincerely,

Richard B. Solomon  
Treasurer
